Experience/Arts Survey

In 2019, the Grafton County Senior Citizens Council, Inc. (GCSCC) will continue to offer the popular Experience/Arts Program with the support of generous contributors, including the Mount Roeschmore Foundation, the Wennberg Family Fund, the Tufts Health Plan Foundation and The Couch Family Foundation. The program will consist of a series of eight-week courses in the arts for adults 55 and older. These courses will take place at multiple locations, including GCSCC senior centers, across Grafton County. They will be available to participants on a donation-only basis.

Please help us plan the program by identifying YOUR top interests. Thanks so much!
