We are closed but taking steps toward modified services to keep everyone safe from COVID19. See below:

Hello everyone! I miss you!

(Yes, sadly and indefinitely, the center is still closed to the public. Grafton County Senior Citizens Council has taken precautionary measures by opening all centers gradually and implementing the same services that may look a little different.)

THIS MONTH!

**We are having our FIRST “Grab and Go” on
September 10TH**

And: Bake SALE on September 18th!!

How Grab and Go-curb-side-take-out event works (same thing for BAKE SALE): stay to the right as you enter the parking lot, we will have signs on how the traffic will flow. Follow the signs to the tent we will have set up, drive up, sign in, we give you the hot meal and you GO! We want to keep everyone safe, so please no leaving your car and remember to wear a mask!

OTHER ANNOUNCEMENTS/COMMENTS:

- ✓ **WE ARE STILL LOOKING FOR A COOK AT THE CENTER! 20hrs a week with potential to increase as our services gradually increase (according to low COVID19 numbers in this area)**
- ✓ **Are you going to Absentee Vote? If you are concerned about going to the busy polls this fall, be sure to get your absentee ballot to enable you to vote in the September 8 state primary and the November 3 general election.**

See <http://www.voteinnh.org/> or download and print the updated Absentee Ballot Request form, or visit <http://tinyurl.com/y5j2nru6>, which covers both elections. If you do not have computer access, call your town Clerk's office to request one. Woodstock: (603) 745-8752, Lincoln: 603-745-2757
